Wrapping a standout year of headlining shows, including a performance to 118K fans in downtown Nashville for the World's Largest Album Release Party, multi-Platinum country-rock trailblazer Brantley Gilbert announces his *Tattoos Tour 2025*, taking his seventh studio album from coast-to-coast across Northern America. Tickets will start at \$25 plus applicable fees.

“My hope is that with tickets starting at \$25, people can step away from everyday stresses and enjoy themselves—whether it’s making it a fun evening with the family or giving mom and dad the chance to hire a babysitter and have a night out just for them. Music has always been about bringing people together and offering a break from the grind, even if it’s just for a few hours.”

### About Brantley Gilbert

As one of the godfathers of country’s modern rock-and-rap edge, multi-Platinum The Valory Music Co. trailblazer Brantley Gilbert knows life has a way of leaving a mark. With his seventh studio album, *Tattoos*, available now, the Georgia native chooses to embrace it – inspired by the idea that his tattoos tell a story, just

like his songs. And just like his songs, he'll never hide the truth they reveal. An era-defining artist forever bonded to his fans, Gilbert's been mining the timeless values of hard-working dedication, high-octane thrills and humble faith since his 2009 debut, *A Modern Day Prodigal Son*, creating a chart-topping grit-and-grace fusion which helped set the stage for today's genre-blending format. With his dedicated BG Nation behind him, the fiery performer-songwriter has racked up more than 8.3 BILLION career streams, boasting back-to-back Platinum albums and seven No. 1 hits including the RIAA 7x Platinum "Bottoms Up;" 2x Platinum "Country Must Be Country Wide;" 2x Platinum "You Don't Know Her Like I Do;" 2x Platinum "One Hell of An Amen;" and the Platinum-certified "What Happens In A Small Town" with Lindsay Ell. His world-class pen helped create a watershed hit with Jason Aldean's 4x Platinum country-rap game changer, "Dirt Road Anthem." And possessing a can't-fake-it quality of fierce independence, the ACM, CMA and AMA award winner has toured alongside everyone from Willie Nelson and Toby Keith to Kenny Chesney, Nickelback and more. *Tattoos* further cements his legacy—10 cowritten, co-produced tracks with an electrifying mix of in-your-face aggression and roughneck reflection, as Gilbert's diesel-powered smoke-and-soul vocal delivers another full-spectrum soundtrack to modern country life. Tracks like full-throttle "Off the Rails" and intoxicating chart-climbing single "Over When We're Sober" with Ashley Cooke lead a set packed with guest appearances from Gary LeVox, Justin Moore, Struggle Jennings and Demun Jones. Gilbert will embark on his headlining *Tattoos Tour 2025* in February, with stops across North America through the spring, with additional festival dates this summer. #### **About Travis Denning**

A native of Warner Robins, Georgia, singer/songwriter and Mercury Nashville recording artist Travis Denning first made waves with the release of his Top 40 debut single "David Ashley Parker From Powder Springs," which has also been certified Gold by the RIAA. Denning celebrated his first No. 1 and Platinum certified single with the "shadowy" (*Rolling Stone*) "After A Few," from his debut EP *Beer's Better Cold*, which debuted in the Top 20 of *Billboard's* Country Albums chart. Last summer Denning released the EP, *Might As Well Be Me*. Crafted for the stage with all of Denning's hard-charging energy and mischief-making signatures intact, the collection also captures an artist maturing.

#### **About Austin Snell**

Keeping country's tradition of exposed emotional nerve endings alive—with a raw new sound of his own design—River House Artists/Warner Music Nashville's Austin Snell is a rising singer-songwriter whose work presents anguish and ecstasy in harrowing high definition. Now rising up the country radio charts with his dashboard-pounding "Pray All the Way Home," the emerging "grunge country" hitmaker boasts 235+ million global career streams and an exponentially growing fanbase, with a series of digital hits and a debut album to his credit.
